MULTIMONTH SHARE OF COST -- CODE-A-PHONE CHANGES

As indicated in previous correspondence and most recently in Medi-Cal Eligibility Manual Letter No. 62, Section 12F, counties were instructed to contact Benefits Review Unit (BRU) via a toll free code-a-phone line to report changes in multimonth share of cost cases.

The toll free mechanism is not in place at this time, therefore, counties will be charged for the calls made. We are in the process of establishing the toll free line and will inform you when installation has been completed. Until then, counties should include, on the administrative claim form, the charge for calls made to the BRU code-a-phone lines using the same procedures as charges for calls made via the CID code-a-phone process.

We apologize for any inconvenience this may cause and will expedite the installation of the toll free lines. If you have any questions, please contact your Medi-Cal Program Consultant.

Sincerely,
